OAL Docket No. PUC 8232-02

(SERVICE LIST ATTACHED)

BY THE BOARD:

On August 30, 2002, pursuant to the terms of a July 25, 2002, order issued by Superior Court Judge Thomas E. O'Brien, petitioner Martha Fisher filed a petition with the Board of Public Utilities (Board), challenging Verizon New Jersey's (Respondent) authority to interrupt local telephone service for non-payment of bills that included charges for long distance service and other service providers when partial payments sufficient to cover local telephone services had been made.

On November 20, 2002, the Board transmitted this matter to the Office of Administrative Law (OAL) for determination and initial disposition as a contested case pursuant to N.J.S.A. 52:14B-1 *et seq.* and N.J.S.A. 52:14F-1 *et seq.* The matter was assigned to Administrative Law Judge (ALJ) Anthony T. Bruno. On December 2, 2003, ALJ Bruno filed his Initial Decision, finding that Verizon lacked authority to interrupt Petitioner's local telephone service.

The forty-five (45) day statutory period for the review and rendering of a Final Decision by the Board was to expire on January 16, 2004. On January 7, 2004, the Board ordered a 45-day extension of this period until March 2, 2004. The Board has determined that it is necessary to further extend the effective date by which it must act on the Initial Decision so that it will have sufficient time to examine the record in the case.

The Board has shown good cause why it cannot adopt, modify, or reject the Initial Decision within the statutory time period. Therefore, pursuant to N.J.S.A. 52:14B-10(c), it is ORDERED that the time for the Board to render a final decision be extended until April 16, 2004.
